

GUARANTEE

(Applies to U.K & Irish Republic)

This accessory is guaranteed against faulty workmanship or materials, provided that:

- a)** The accessory has not been overloaded or connect to a supply other than 230/240 V 50Hz.
- b)** The installation procedure has been carried out correctly
- c)** The bill of sale (dated) accompanies the accessory for repair or replacement.
- d)** The accessory has not been dismantled or modified in anyway.

This guarantee does not effect the statutory right of the consumer. In no circumstances can the company accept responsibility for any loss or damage said to arise from the use of this product.

WARNING

Do not use on freshly plastered walls as this may cause the plate to tarnish.

ENVIRONMENTAL PROTECTION

Waste electrical products should not be disposed of with household waste. Please recycle where facilities exist.

Check with your local authority or retailer for recycling advice.

If in any doubt about wiring, consult an electrician

Note: For safety it is recommended the lampholder with short skirt to be mounted minimum of 2m above ground to avoid accidental contact with lamp cap
